- *Raffles Galore and a Special Gate Prize*

We are very pleased to have Stuart Anderson, the co-inventor of the Flowhive, on site, who will be talking about his cutting edge invention.

Furthermore, Dr. Diana Leemon will be there to talk about her research on an external attractant trap for Small Hive Beetle. She will be showing how to make up the traps and deploy them.

All in all, it will be a great day. See you there!
